

# Professional standards development

In the framework of the work of the National Chamber of Entrepreneurs of the Republic of Kazakhstan “Atameken” by the Faculty of General Construction in 2019 y. have been developed the following professional standards:

- «Assembly and installation of prefabricated and monolithic structures»;
- "Construction of dams and weirs";
- "Dismantling and demolition of buildings and structures";
- "Construction of sewerage systems";
- "Construction of water treatment facilities"
